[INTERIOR DESIGN]

ARGAS HEAD QUARTER

CLIENT: Argas Head Quarter

LOCATION: Khobar, KSA

STATUS: 2018

SCOPE OF WORK: Interior Design

The meare inspiration of the design came from the nature of work argas does , their company works in layer of earth by sending signals in form of waves, we took waves & layers as our design inspiration which got reflected in interior as well as furniture design.

DHEHRAN TECHNO VALLEY

CLIENT: Argas Head Quarter

LOCATION: Dhehran Techno Valley,
KSA

STATUS: 2018

SCOPE OF WORK: Interior Design

It was indeed a challenge to design a research center which highlights among the top leading research centers of the world in the valley, when designing a space ,the space should reflect the company ideology. The argas research center works by sending waves which are reflected,harmonious and vibratiing in earth core which became the key to design the space .

BAHRAIN CHAMBER OF COMMERCE & INDUSTRY CLIENT CARE

CLIENT: BCCI

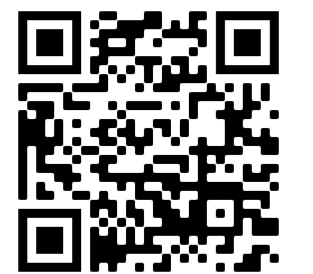

LOCATION: Manama, Kingdom of Bahrain

STATUS: Ongoing 2019

SCOPE OF WORK: Design Renovation of Client Care

The client care department of the 22 storey bcci building , was the interaction space between the members and client. Designing was done keeping an informal environment to make clients comfortable yet the space was kept elegant and sophisticated. Neutral colors, assymetrical ceiling & abstract carpet all blended in a way giving an easy flow to eye.

BAHRAIN CHAMBER OF COMMERCE & INDUSTRY CLIENT CARE

CLIENT: BCCI

LOCATION: Manama, Bahrain

STATUS: 2019

SCOPE OF WORK: Design Renovation
of Majlis

While designing the majlis of bcci the major requirement was formal space for seating . The place has been very luxuriously designed with rich materials. Marble flooring with gold inlay, gold inlay on walls. We wanted the space to look huge so vertical lines on walls gives illusion of height and horizontal line on ceiling gives illusion of length of the hall..

TRAINING CENTER

CLIENT: NGN Training Center

LOCATION: Moda Mall, Bahrain

STATUS: 2018 - 2019

SCOPE OF WORK: Renovation of Reception Design and Execution

NGN training center location in one of the prominent building MODA Mall became an interesting space to put our abstract futuristic design in reality. The logo lines and color has been used in designing the space giving branding as well designing element to the space.

TRAINING CENTER

CLIENT: NGN Training Center

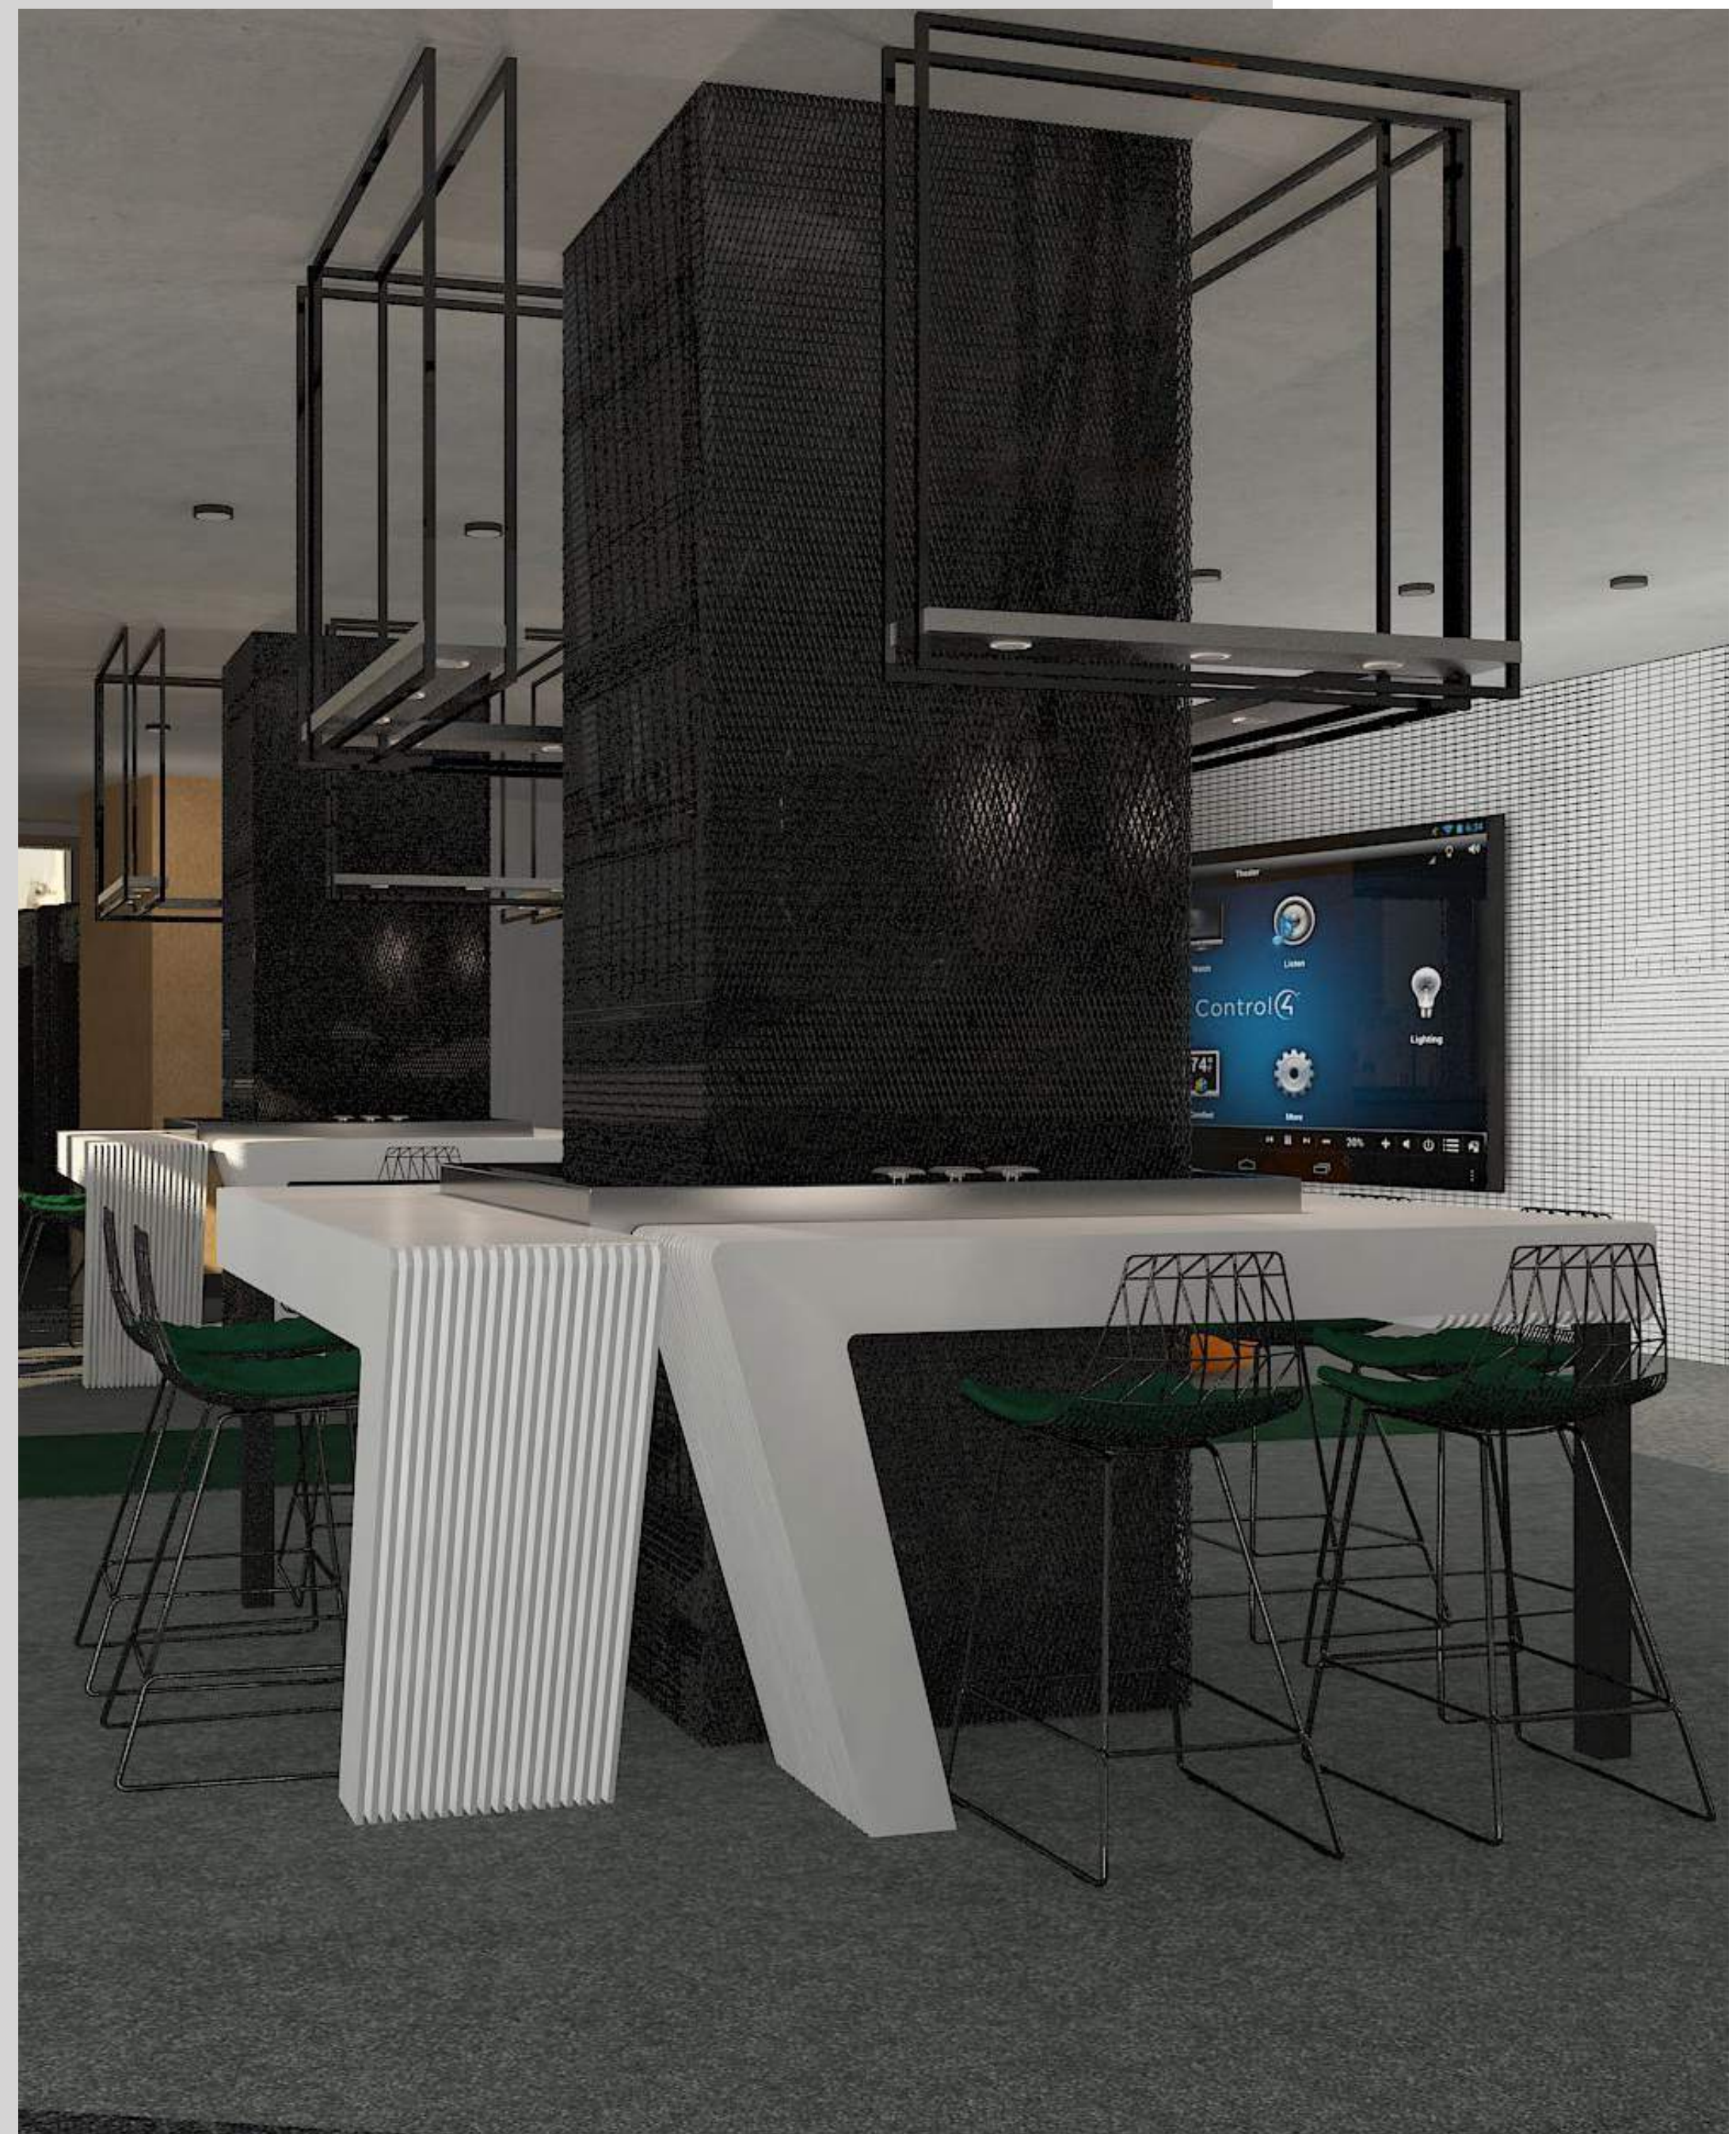

LOCATION: Moda Mall, Bahrain

STATUS: 2018

SCOPE OF WORK: Renovation of Recreation Area Design and Execution

The recreational area of the training center has been designed on industrial theme for students to feel comfortable and charged. Rugged material like, mesh, concrete and abstract hanging light were major props for the space.
